Summer Fellowship Program in Applied Multi-Ethnic Research

University of Michigan-Ann Arbor
June 21 to July 16, 2010

Program Description

The 4-week Research Fellowship provides advanced statistical and methodological training to early career ethnic minority or socially disadvantaged faculty and investigators. Fellows refine their skills to be productive researchers capable of formulating and addressing original and significant research questions. Training options include, but are not limited to the following:

Advanced Statistical Courses. Fellows will choose from a variety of advanced statistics courses (i.e. Regression Analysis I-III: Introduction, Linear Models, and Advanced Methods) that combine lectures and discussion with the practical application of quantitative methods in a state-of-the-art computer lab.

Research Workshops. Fellows will select from a variety of statistics workshops, such as: Structural Equation Modeling, Introduction to NVivo 8, STATA Intermediate, and SPSS Intermediate.

Statistical Consultation. Additionally, fellows will be eligible to receive methodological expertise from a cadre of statistical consultants through the Stats-Chat service. Services may include, but are not limited to: Data Interpretation & Methodological Design.

Professional Development. Fellowship recipients will also engage in trainings to enhance their career and professional development. Trainings may include seminars focused on: Negotiating the Academy, Clinical & Intervention Research, and Managing Funded Research Projects.

Who Should Apply?

We strongly recommend this summer research fellowship for both researchers early in their careers and seasoned researchers wishing to retool or shift their statistical or methodological approach. Only current ESIN members are eligible to apply.

How to Apply

Interested members should visit http://emergingscholars.net/public_events/view/76 to find links to an application. Individuals need to submit a completed application and the following documents to apply:

Summer Research Plan Curriculum Vitae
Sample Research Manuscript Biographical Statement

The program application and supporting documentation must be submitted as an email attachment to: admin@emergingscholars.net. The **application deadline is March 15, 2010**. Incomplete or late applications will not be reviewed. Notifications will be sent out by April 1, 2010.

Program Sponsors: ICPSR, U-M Office of the Provost, U-M School of Social Work

12-16 stipends up to \$2,500 will be available to support selected fellows.
